What is Hot Rods at the Beach?

Hot Rods at the Beach is a non-profit, non-competitive car show. The show features 500 classic, custom, street rod, and vintage vehicles that are model 1975 and older. The show is a two day event which features many vendors and classic car related displays. Plenty of food, music and fun for the entire family. Spectator admission is free. All sponsor and registration donations benefit the Santa Cruz POA and are tax deductible.

Where and When is the event?

The 13th Annual Hot Rods at the Beach will take place on October 9th & 10, 2010 in the River Lot at the end of Beach Street in Santa Cruz, (Log Ride end of the Boardwalk).

What does the SCPOA do with the donation money?

Profits from the car show are put into the Santa Cruz POA Industrial Arts Scholarship Fund. During the 2010-2011 school year, The Santa Cruz Regional Occupational Program will conduct an application and screening process for all local high school students enrolled in Industrial Arts Colleges for the 2010 school year. Students will be awarded scholarships upon completion of High School in June, 2011.

Why donate to this Non-Profit organization?

The educational programs for Industrial Arts in our county are fading quickly. Local business owners in the Industrial Arts field (who happen to be classic car enthusiasts) teamed up with the SCPOA to provide educational funding to local students interested in Industrial arts in hopes to save a dying profession.

An Invitation to You...

The SCPOA and the Hot Rods at the Beach Event Staff are proud to be a part of the future of our local students. We invite you and your company to help us provide as many scholarships as possible by becoming a sponsor of the 2009 Hot Rods at the Beach Car Show.

Your donation is tax deductible and priceless to those benefiting from your generosity.
